

To our valued guests,

As the COVID-19/coronavirus situation evolves, we want you to know that your safety is our top priority. To that end, we are doing everything we can to be prepared and to address concerns, including:

- Making sure our employees are educated about COVID-19/coronavirus preparedness
- Forming a task force that is frequently meeting to coordinate restaurant-wide efforts, as needed
- Letting employees know they should stay home and seek medical advice if they feel ill
- Increasing the rigor of cleaning and sanitizing procedures throughout our property
- Disinfecting common surfaces frequently
- Placing additional touchless hand sanitizing stations for use by employees and guests

We share in your concern about COVID-19 (coronavirus). We have been closely following the recommendations provided by the CDC and the local health authorities. We're hopeful that our efforts at the Yankee Rebel Tavern and Horn's Bar will contribute to the national efforts underway to stop the spread of this virus.

The health and safety of our guests and employees are of paramount importance to us.

Thanks, as always, for your continued loyalty. We look forward to seeing you soon.

Best wishes,

Steven and Patti Ann Moskwa
